**This year we will be holding a Harvest Festival in school for the children on Wednesday 21 October.**

The Revd Lydia Avery (the Priest in Charge of the Upper Tas Valley Benefice) will be leading this celebration of harvest. We will be collecting tinned food and non-perishable items which we will distribute to the homeless in Norfolk. Please could children bring in the tins and packages from the week starting 12 October, and no later than Monday 19 October. Each class will have a box for the children to put the food in.

 Oxford Owl has lots of free e-books available to read on their website. You only have to sign up to gain access to a good selection of books at each different colour band level. This will allow everyone to keep up with their school reading in the event they can't access books in school.

**Parent Governor Vacancy!**

The school currently has a vacancy for a parent governor. Our school always aims for a close partnership with parents which undoubtedly brings great benefits to the children. The governing body's main tasks are: to ensure the school has a clear vision, ethos and strategic direction; to support/challenge the Head Teacher to continue to improve the school's performance; to oversee the financial performance of the school.

Parent governors are welcomed as valued members of the school team and are vital in ensuring the governing body is aware of the views of parents and the community. Training and support is available to help develop parents in this role.

**If you feel you can help in this capacity, or would like some more information, please contact the school office.**

**Teams**  
Each class now has work set on Teams so please log in to take a look. This is an excellent opportunity for us to smooth out any problems in case of any Covid19 related school closures.

 Does anyone know what these are a symbol for? (There is a clue on the newsletter somewhere.)  
**Tell your class teacher if you know!**
