Friendship Week (Anti-Bullying Wk.)
December
Last day of term Friday 18/12/20
School re-opens 7th January 2021

It was lovely to welcome the pupils back into school this week for the Autumn Term. We have been so impressed with all the children – they have settled in brilliantly with such positive attitudes and big smiles, ready to start learning. Around the school this week I have seen happy children, working, playing with friends and enjoying school. I want to thank the whole staff team who have worked extremely hard to ensure the children transition back into school with ease and confidence. We would like to extend a special welcome to all our new starters and families who are settling in really well: Lillia, Anya, Lila, Darcie, Darcey, Arthur, Farah, Matilda, Ruby, Tristan, Freddie, Isabelle, Oliver, Broden, Matilda, Kobi and Charlotte. We hope you will enjoy your time at our school. We continue to work together, staff, children, parents and governors to embed the school core values of stewardship, courage, hope, forgiveness, friendship and compassion.

Face Masks to be worn by parents whilst on school premises
Thank you for your support and patience with the new staggered start and end times to the school day. The staff believe it has worked really well. **From Monday 14th, we ask parents to wear a face mask on the playground when dropping off and collecting their children.** Children and staff welfare, and keeping the school open during this difficult time, is our priority.

School Dinners week beginning 14th September (week two). If your child is staying for hot school dinners, they will need to know what option they want each day. Their teacher will record this during registration, so they can be ordered by 9.30 am from the kitchens at Attleborough school. All KS1 children are entitled to a universal free school meal if they would like one. The menu is on the school website <http://www.wrenningham.norfolk.sch.uk/parents.html>

 **Inhalers Children with asthma are allowed access to their reliever inhaler freely at all times.** Please make sure they are in school. Inhalers for children in Class 1 & 2 are kept in the school office. Children in Class 3 & 4 have their inhalers kept in their respective class. Please inform the school office if your child has an inhaler so our list is up-to-date.

Parking – Please note we ask parents not to park outside the school, or pull over to drop off, during the morning school rush hour (from 8.30AM) and the after school picking up time (from 2:50). This is primarily to stop cars blocking the road and causing a hazard as small children are crossing the road at this time. For those parents new to the school, the school pays £200 to use the village hall carpark. We realise parking is limited and so if there are any parents that live nearby and could drop off and collect their child without using a car it would be much appreciated. Thank you.

We have an exciting new curriculum topic this Autumn term – Brilliant Books! Children will have had a curriculum newsletter with an overview of what they will be learning this term. 

The staff wish to thank parents for their generosity at the end of summer term. It is much appreciated.
