PE Premium 2018/2019

The following document will outline the use of the PE Premium for the financial year beginning 1st April 2018, along with other pertinent PE related objectives/actions/outcomes:

April 2018 to March 2019: Total PE Grant over period: **£16900**

Outcomes/impact has been monitored against **5 key indicators:**

- The engagement of all pupils in regular Physical activity
- The profile of PE and sport is raised across the school as a tool for whole-school improvement
- Increased confidence, knowledge and skill of all staff in teaching PE and Sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

Additional Information:

Appendices 1, 2 &3: details of inter school participation and achievement over the previous three years.

Appendix 3: pupil response figures relate to the year s3-6 (58 children) PE survey carried out in summer 2019.

Participation, Achievement, Competition and The School Games:

Wreningham consistently provides opportunities for more children and teams to compete in the school games than any school in Norfolk, regularly taking up to 3 teams to events where other schools – many much larger – will only take one team. This has been recognised by the Sports Partnership (South Norfolk), and is highlighted by our Gold School Games Mark.

We attempt to enter the whole range of sports offered by the School Games, providing children with new opportunities and experience of competitive competition, regardless of current ability/gender. Consequently, there is a high expectation and a consistent improvement in skill and achievement. As such, our progress is now consistently highlighted, not only by the enthusiasm and enjoyment of sport by our children, but also by the results achieved by the children in competition.

Appendix 1,2 and 3 illustrate our participation and successes during the previous 3 academic years.

Intention/objective	Cost/who	Actions	Outcomes/impact	Monitoring and evaluation of the impact of actions
1 The engagement of all pupils in regular Physical activity				
Introduce the daily mile to involve all pupils undertaking at least 15 minutes of additional high quality exercise activity per day safely. Investigate construction of permanent track	Cost of running track – approx. cost for higher end wet pour Approx. £50 / sq. metre. 160 x £50 = £7500 - £9000	Identify course for daily mile. Embed daily routine across school. Investigate quotes for permanent outside track. Quote £16,000	Pupils involved in 15 minutes of additional activity every day. Fun run is completed in summer term for all years.	Increased cost of quotes over the last 2 years means all the grant would be spent on a running track. This has not been deemed viable – decision taken to apply money to greater variety of projects.
