

Wreningham CE VC Primary ~ Settling In Survey

Autumn Term 2018 RESPONSES

At Wreningham CE VC Primary we really value a good home school partnership. In the Reception class we aim to work closely with parents to meet the needs of each child and support you with any difficulties that might arise. We recognise the importance of settling the children in to their new school and we do all we can to help the children in this process so that they feel secure, confident and happy in our school.

As part of this partnership we would like to hear your views about how well your child has settled in to our school. We ask parents to complete this short survey. This survey can be anonymous or if you have a specific query you can include your name. Thank you
