Head Teacher: Mr R Jones M.A.

Tuesday 12 MAY 2020

Dear Parents,

I hope this letter finds you well.

Many of you may be aware of the Government's announcement of the phased reopening of school sites and the return of Year R, Year 1 and Year 6 pupils to primary schools after the May half-term (e.g. Monday, June 1st). I know there may be much anxiety around this decision and that parents may not want to send their children to school yet.

This date for return does depend on the factors outlined by the Prime Minister being met and It is important that parents understand this date may change. Some of the elements our school will be considering to help ensure a safe return include the following:

Guidance form the Local Authority/ Department of Education

Handwashing facilities

Developing staggered drop off and collection times

Creating space for different groups to remain safe

Staffing provision

Catering provision

Children of key workers will continue to attend daily as they currently do.

The school has made a risk assessment on what we believe to be the best way to keep the children and staff safe. We will continue to develop this and gather together all the information we can to enable a smooth transition back to school. We expect further detail from the Department for Education over the coming days and will contact you as soon as we can with a more detailed approach to how we will reintroduce pupils into our school.

Keep well and stay safe.

Regards

Mr Jones

Chair of Governors: Mr Jon Gent
