HARVEST FESTIVAL Thank you for the tins and packets of food the children have brought in to school. We will continue collecting food until the half term holiday. The school is taking part in 'Filling the gap' - the food will be taken to the Trusell Trust Foodbank that makes up parcels for distribution around Norfolk - it goes to local foodbanks, individuals, couples and families and, when there's enough, to breakfast clubs, seniors' lunches, refugees and homeless charities.

THUMBNAIL SKETCH OF PROGRESS On Monday your child will be given a short review of their progress in school, a 'thumbnail sketch' of how well they have started back in school this term, with a target that is the next step in their learning. If parents have a specific concern and would like a follow-up meeting on Teams with the class teacher, please email the school office@wreningham.norfolk.sch.uk and a parent consultation will be arranged in the second half of the Autumn term. We will also be sending a Home School Agreement for parents and children to sign and return. This year the Agreement relates to covid-19 guidance in school and includes home learning expectations. Pupils in the Reception Year will be given a photo consent form and asthma update sheet to complete and return to school.

FOWS will be fundraising again this year with the personalised Rudolph Christmas cards and gifts. A letter and drawing form (to print at home) are with this newsletter for your information. Any completed artwork and monies should be placed in the brown box in the school entrance foyer by **TUESDAY 3rd NOVEMBER**. This will give us time to quarantine them, send them off and get everything back to you in plenty of time for the festive season. It would make a great half term activity for the children, add a personal touch to the Christmas celebrations and raise funds for our school in these difficult times. Please ask at the office if you have any questions or require a paper copy of these documents. We look forward to seeing all your great artwork!
