Parent Questionnaires Responses, July 2019 Thank you to parents for completing the questionnaires in July. The full results will be put on the school website. Just under 50 questionnaires were returned. *The responses were overwhelmingly positive with many supportive comments from parents. Together with the governors, the staff will follow up any suggestions or concerns raised in 2/3 responses.*

100% Responses Agree or Strongly Agree with many of the statements e.g. 100% parents agree/strongly agree there is a happy atmosphere in school; behaviour is good; teachers are happy to talk to parents about their child's progress; children are safe; their child is happy at school; their child enjoys playtimes/lunchtimes.

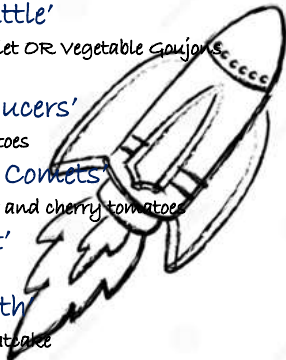

Parents wrote some very supportive comments: *Our children are very fortunate to attend Wreningham School; My son really loves Wreningham School and he has blossomed in year 4;...thank you for making the school a wonderful place to learn;...how well he has done in his first year is testament to the high quality of the teaching and the 'family ethos'; the education and ethos of the school is fantastic; being new to the school, we have been overwhelmed by its friendly and positive ethos.*

Thank you for this support. During the school year parents are reminded that if they have a concern they are encouraged to speak with the class teacher so it can be resolved quickly. **We look forward to working with you this year to ensure the children continue to thrive in our school.**

Pet Service St. Peter's Church, Fornett St Peter, Sunday 29 Sept, 10.30am

Humans - with dogs on leads, cats in baskets and caged small pets – including guinea pigs, rabbits, ducks, chickens, frogs, toads, earthworms, ants, beetles, and slugs (God loves them too!) - are very welcome, but must remain with their animals throughout the Service. Humans with much larger animals are welcome too but, for health and safety reasons, please phone Lydia on 01953 788227 to check in advance.

Thank you for wearing jeans yesterday. We raised £65 for children and families living with genetic disorders.
