SCHOOL RE-OPENS on

Thursday 3 January 2019

Exciting News! I have some happy news to share with you! Mrs Thompson and Mrs Furness are both expecting another baby in April. We are all delighted that Charlie and Eddie are going have younger siblings! They both hope to be working until the summer term

Class 4's residential trip to Brancaster Millennium Activity Centre is next Wednesday to Friday. Activities include mountain biking, mud safari, cooking and beach art/water colour painting. We hope they have a fantastic trip!

Class 1 Settling In Survey Sept 2018 The school recognises the importance of children new to school in September making friends, feeling happy and safe, settling-in quickly. We complete a parents' survey each year to establish if this has happened. The full results are published on our website. All parents agreed/ strongly agreed with all the questions! E.g. My child has settled in well at school; My child feels safe; My child feels happy (one question response was 'don't know.')

We are delighted with the responses. Thank you.

A warm thank you to the Friends Association (FOWS), the members of whom came in to school on the October INSET day to tidy up the building, paint the school corridor and staffroom, and complete several other tasks. The staff are very grateful to these parents who gave their time and DIY skills to smarten up the school!

The scholastic Book club magazine is going out today. Please could all orders be in by Thursday 15 November. This is the last chance before Christmas to order scholastic books.

Bonfire night cake stall: Monday 5th November after school in the hall.
