One-way system around the village - Keeping Families Safe

A reminder that we encourage all parents to use a successful voluntary one-way system when driving in Wrenningham in school times. This has been in place for several years and involves approaching the school from the Travis Perkins end of Mill Lane, and exiting past the school. Although this is not enforceable, we believe it eases congestion on the approaches to the school at peak times and helps us keep all the children safe.

FOWS DATES FOR YOUR DIARY 4-18th December
-Wrenningham/Toprow Christmas Trail - Letters to Santa-Post Box Arriving soon! **More details on both events to follow shortly!**

The Whole School Attendance this term is 97.39%
In the current circumstances this is very good.
Thank you for your support in keeping children at home when they, or their siblings, have mild symptoms; helping to keep us all safe and the class bubbles open.

Remembrance Day 2020

On Wednesday 11/11 the whole school stood on the playground (socially distanced!) for a 2 minute silence at 11AM. It was special to be able to honour this occasion together as a school. The children showed great respect during the two minutes and their teachers are very proud of them all.
