SIAMS OUTSTANDING
2014

Dear Parents,

We hope you have had a lovely week. As you can tell from the photos of children's work below, it has been another busy week for our children and once again, all the staff have been amazed and delighted by the children's creativity and enthusiasm. In school we have been very proud of the children's responsible attitude towards the new routines in place to maintain social distancing and their adherence to the other rules and restrictions relating to covid-19. Although the staff would love to see more children back from other year groups, Norfolk HSE has made it clear that staff must not teach across 'bubbles.' With limited space and staff, we have now reached capacity in most 'bubbles', providing as many places as we can. Government guidance remains that a school's priority must be on the return of children from YR, Y1 and Y6 and this means other year groups are not able to come back currently. For these children, teachers will be maintaining 'Home Learning.' However, in line with this guidance, the school is now able to open Thursday and Friday all day for the pupils already attending the mornings in Year 1. This week we wrote to parents of the new Reception intake to welcome them to the school and give them all the information they need. This year, as the children have been unable to come into school and meet us, we made a short video that we hope will help families with the big step of starting school in September!

Have a lovely weekend. Keep safe and healthy.

Best wishes,
Mr Jones

SAFEGUARDING AND ONLINE SAFETY

At time when children are likely to be spending increased time online for learning and keeping in touch with friends you may find the following links useful:

School Learning

Bubble 2 - We enjoyed making our own arrays using natural materials and writing the sum with chalk.

Bubble 2 - Art inspired by The Storm Whale, we mixed navy blue and white gradually to create all shades of blue to paint beautiful oceans for our silhouette whales to be set free in.

Bubble 3 - Here's social distancing PE - lacrosse - the perfect social distance game!

... the rest of bubble 3 have been busy making their own books.

Bubble 1 – The children have been busy crafting out of recycled materials. I really enjoyed a bridge for my cars !

Bubble 1 – We have enjoyed practising our reading.

Home Learning

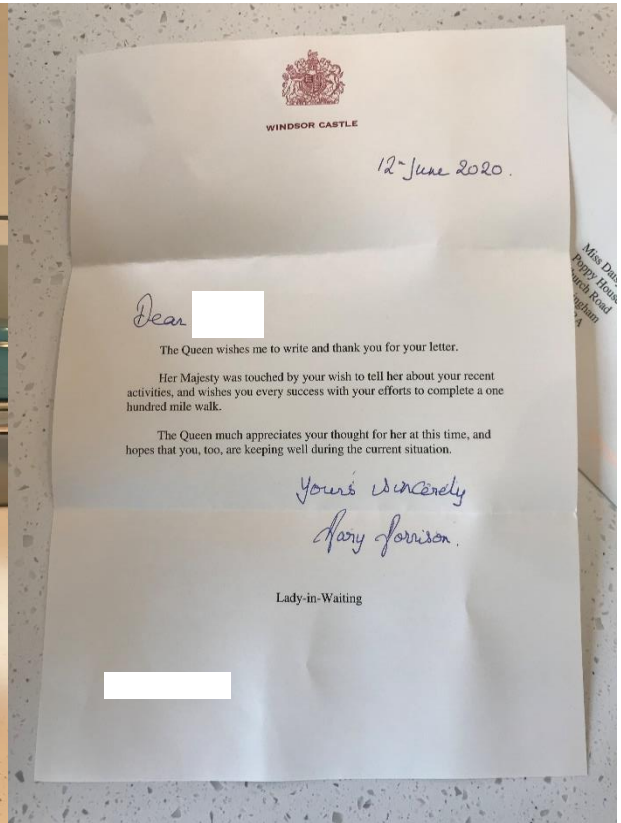

We have been working busy at home.

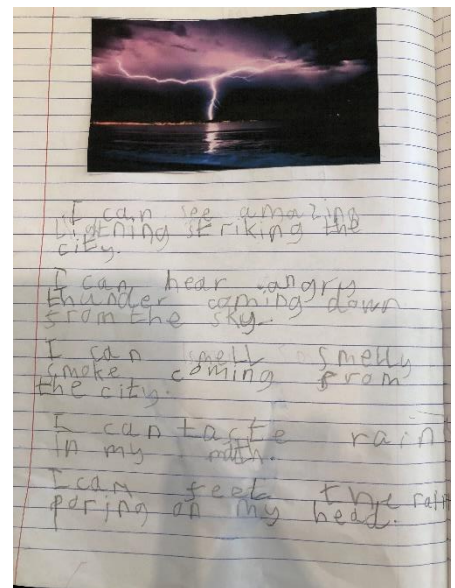

I'm doing my best, despite breaking my arm.

(Get well soon from everyone!)

At the beginning of lockdown Mrs Furness suggested writing a letter to someone who inspires you. I chose to write to the Queen and this week received some very special mail! What a special letter to treasure ! Has anyone else had any replies?

I have been working really hard on my handwriting. This is a description of a storm. I've also had some superheroes working on maths with me.

Please send us your photos from home as we all love to see what you are getting up to and the progress you are making.
