**Second Place in Basketball!**

On Wednesday the 2<sup>nd</sup> February class 4 took part in the Norfolk basketball competition at Framingham Earl high. Wreningham took three teams to participate and everyone did a fantastic job. Three amazing staff members came too: Mr. Jones, Mr. Hodge and one of our amazing dinner ladies Andrea. There were many baskets but I'm going to tell you about two of the best: Delilah (Year 5) got an amazing shot in one of the last minutes of her game and Tallulah (Year 5) was the lucky person who got us into the finals with a clean shot through the net. Every child got more than one game, more than one tackle and more than one pass. Each team either won some or drew some matches.

**The Finals:**

Thanks to Tallulah, "Wreningham rockets" made it to the finals after an intense shoot off. Every person in the hall was off their seats when the brilliant basket happened, the pressure was on because we were against another really good school (Poringland). They lowered down the main hoops and that meant they were playing across the whole the hall. Sadly, we lost 2/0 to Poringland but everyone was full of joy because we came second place out of ten teams.

**The Awards:**

First, they presented the school-games value awards. At this competition, the main objective was teamwork and because we had three teams we had three awards to give out. They went to Toby (Year 6), Joshie (Year 5) and me/Bella (Year 5). Then we did the placing awards and "Wreningham Rockets" were second place overall; we were delighted when we found out this news, we were jumping for joy because when one team wins then the whole school wins. The Rockets all received really nice second place certificates and the rest of us received perfect participation certificates.

I would just like to say thank you to Mr. Hodge and all the other staff members for letting us come and have one of the best experience of our lives.

Thank you for reading.  
Bella
