### Reminders

**Class photos will be on Tuesday 24<sup>th</sup> May, please ensure children come into school in their school uniform.**

**Now the weather is getting warmer, can we please remind parents to send the children in with water bottles, sun hats and sun cream on. Thank you.**

### Pupil's School Development Plan

This is our School Development Plan that has been shared with the children.

#### PUPILS' PLAN

Our ideas for the school this year 2022/2023

This is what we hope to do this year to keep our school happy and successful.

We will take children from Year 3 to Year 6 on a residential trip every year they are in Key stage 2.  
We will lead school trips for class 1 & 2.

We will continue to do a lot of teaching and learning outdoors, and we hope that we will reach the Learning Outside the Class Quality badge this year!

We will continue to ensure we have a positive playground environment with peer mediators playing an important role, helping everyone to enjoy playtimes.

Being a Church School is very important to us. We will have collective worship every day and continue to have children lead the school collective worship.

We will be teaching you about healthy relationships and wellbeing. We will be exploring what a growth mindset is.

We have been developing an exciting curriculum - all the facts and skills you learn in school. We will be helping all children to be good at problem solving in Maths, making sure everyone understands online safety, carrying out practical activities in science, enjoying music and art, and completing many other subjects.

Being an ECO Green Flag School is something we are all very proud of. We will continue to work hard to protect our environment and achieve our next Green Flag.

We will be helping you to become faster, more fluent readers. You can help by reading more at home. We want all children to enjoy reading and so will buy new books and lead many more exciting library quizzes and competitions.

The school has a very good reputation for sport. Children will continue to learn a wide range of sports. We will offer many different sports clubs for children to enjoy.

We want children to give their ideas and views and will continue to have a school council so that all children can be listened to when decisions are taken.

The school's full SIDP is available to read on the school website.
