Wednesday 4<sup>th</sup> School re-opens

Next Monday is European Day of Languages. As a school, we would like to take this opportunity to celebrate the rich linguistic and cultural diversity within Europe, while also encouraging our children to have a curious and resilient attitude when learning foreign languages

at school. On Monday, all classes will be holding a special European Day of Languages Show and Tell. If your child would like to take part, they should bring an object that has something to do with a European country. It could be something they were given by a foreign relative, something that was bought while on holiday abroad, etc... The children should be prepared to tell the class a bit about the object.

**Come and join our fantastic team of midday supervisors! We have a vacancy for an MSA at school and we'd love to hear from you. Please contact the school office for more information about the role. Thank you.**
