### **Thumbnail Sketches**

will be coming home with the children today. Once you have read through your child's thumb nail sketch, if you would like to have a face to face meeting with the teacher, please email the office and we will be in contact to arrange this. Please note we are not sending thumbnail sketches home for the Reception children, Mrs Leader will be using Tapestry to keep the parents updated on the childrens progress.

**Safeguarding** Our safeguarding policy is available on our school website and is available on request from the school office.

In order to keep children safe and provide appropriate care for them, the school requires parents to provide accurate and up to date information. We are therefore sending home **Data Sheets** to make sure that all of the information we hold on file for each child is correct and up to date. If any of the information is incorrect please amend the form and send it back in to the office. Please see the school website/school/policies/GDPR privacy notice, to find out more about why we store your information.

### **Covid-19 Update**

As of this week we currently have 2 confirmed cases of Covid-19 within the school. We are doing everything we can to limit the spread of the virus.

We understand you will be concerned about your own families. It would help us to know if any member of your close family have a positive PCR test at any stage, although we appreciate this information is confidential.

### **Piano Lessons**

Our guitar and ukulele teacher Amir is now offering piano lessons on Tuesday afternoons at school. The aim will be to teach basic techniques enabling children to start playing popular songs. If any children have previously been working towards grades and wish to continue down that path, then they can be helped as well. Please contact the school office for further details, and to book a free taster session. There are some space for new guitar or ukulele children on Tuesday afternoons.

### **Important Notice**

The Flu vaccinations did not take place this week, a new date will be scheduled as soon as possible.

Harvest Festival – Please bring in cans and packets of food for our Harvest Festival, to be donated to a community food store in Wymondham.

The Girls year 3-6 football competition on Monday has been postponed by the organisers due to Covid related sickness. A new date will be scheduled.

Katie Burrell, The Vice Chair of Governors.

Between me and my partner we have a child in every class of the school. I was a teacher for many years and still do supply work as well as working at Bramble Bears playgroup. Many families may also know me from running the toddler group in the village hall on Fridays. As a Governor I am responsible for Curriculum, SEND and Pupil Premium.
