Autumn is definitely upon us this week and the mornings are much colder and the nights are drawing in. Luckily the children are still able to enjoy playtimes and classroom activities outside. Class 2 had a little adventure to the park yesterday

looking for autumn leaves and conkers in the sunshine.

Please ensure your child has a coat in school now the weather is turning. KS1 children also need a pair of labelled wellington boots and can bring in waterproof outer clothing so that they can enjoy outside play when it rains.

Reception Class parents – 2nd October.

A reminder to please come and join us next **Thursday 2nd October.** Please do stay and play in Class one after drop off until 10am. The children would love to show you how they have settled in and what activities they enjoy in Class 1.

FOWS EVENTS:

Our super FOWS team have launched their diary of events for the upcoming year. Please see the exciting events that have been added to our diary. The first upcoming ones are:

Next week – Fri 3 October

"National Get Funky Day" – non uniform day – please bring in a raffle gift for Christmas Hampers

Saturday 11th October

Tidy Up Morning.

Please come along with your tools and enthusiasm and help tidy up our school grounds. It is always a fun morning and we look forward to seeing as many as possible.

Children are welcome to come along but must be accompanied by an adult.

Friday 24th October – 8am – 1pm

Autumn Fayre after school, Pumpkin competition/Trail and Cake sale. More details will follow nearer the date.

Girls PE shorts – We have noticed that a few girls (mainly in KS2) are wearing very short PE shorts. Please can we ask that girls are wearing “suitable” mid thigh length PE shorts. It is not appropriate to wear “pant style” shorts in school.

Reception Class 1 Parents – you should have received an email with a “Settling In Survey”. We would be very grateful if you could complete and send back to us by 17th October. Please see the link below:

<https://forms.office.com/e/9AUbDhME5b>

You should now have received home the proof card with your child’s photograph. Please ensure you place any orders online by the Braiswick deadline of **TUESDAY 7TH OCTOBER**. Late orders may incur a charge from the company. Thank you.

Calling all prospective Midday Supervisors – we need you!

Can you spare a couple of hours on a Tuesday, Wednesday or Thursday? If so, we would love to hear from you. We have a vacancy from mid October. Why not pop in and see what the role involves and have a chat with the office?

When you are on your autumn walks, if you spot conkers or acorns, Class 1 would love them to help with counting. If you are able to drill a hole in them that would be fantastic so children can thread them onto counting strings.

Stars of the Week

Class 1 Mara/Jacob
Class 2 Ivy/Sophie
Class 3 Millie/Olivia
Class 4 Anya/Eadie

Please can we ask that children do not bring toys into class. It causes great disruption and makes extra work for staff having to try to part children from their toys. Thank you for your cooperation.

Do you have a child who is suspected of having a neurodiverse condition or who has been diagnosed with ADHD? If so and you haven't yet completed a Plan Bee course, there are still places in **Banham in October**. Places are offered on a first come first served basis.

Norfolk and Waveney Autism/ADHD Support Service

Plan Bee Course Banham October 2025

Understanding and supporting your neurodivergent child or young person's needs.
A FREE course for parents & carers

Plan Bee is a 3 week course (2 hours per week) written by two Clinical Psychologists working in Norfolk Community Health and Care. We have been commissioned by Norfolk & Waveney NHS Integrated Care Board to deliver this course for parents and carers of children who have suspected or diagnosed neurodevelopmental conditions.

All behaviour is a form of communication. Our course supports parents to understand their child's individual needs and how to best support them.

The aim of this course is to help parents and carers:

- Understand why their child or young person might become overwhelmed.
- Reflect on what might trigger certain distressed behaviours and how to implement pro-active and re-active strategies.
- Develop a support plan which they can share with other family members and schools to ensure a consistent approach.
- Meet with other parents/carers for peer support.

For more information contact us Monday to Friday 9am to 5pm
