## RSHE Parent Consultation

Dear Parent(s)/Carer(s),

The Relationships, Sex and Health Education (RSHE) curriculum is compulsory in all schools. To ensure that we further promote the personal wellbeing and development of all children whilst meeting the statutory requirements, we work hard to integrate any proposed changes into our RSHE policy and curriculum content. Part of this process is to consult parents and carers.

Our curriculum aims to provide pupils with meaningful learning experiences that will equip them with the skills required to live healthy, safe, productive and fulfilled lives, both now and in the future.

To introduce parents to our RSHE policy and the curriculum, and ensure everyone is well informed, we invite you to watch and read the following:
