Remembering Mary Fairman

Mary passed away before Christmas. She was a much loved governor of Wreningham Primary School over many years. Her commitment and dedication as a governor has significantly contributed to the school's many successes over a long period. As a governor Mary was always committed to the highest standards, very loyal to the school, quick to offer her experience and advice as a caring, supportive friend. She will be greatly missed by all the staff and children.

Wymondham Cluster Athletics

On Wednesday 10 January, class 3 took a team to the cluster athletics at the Wymondham Leisure Centre. The children took part in many events including javelin, chest push, vertical jump, sprint relays, 3 strides jump and the speed bounce. The children were fantastic and despite tough competition from seven other schools, including Robert Kett, our school won overall! This means we progress through to the South Norfolk Finals. Report by Emily and Dylan, cl.3.

The school raised £85 for the Children's Society from the Christingle collection. Thank you to parents for their donations.

Wrentots every Wednesday in the school library

We currently run a Wrentots session in the library on a Wednesday morning from 9 to 10 AM for parents to come and read with their pre-school age children. We even have a coffee machine! Wrentots has been very successful and is a great way to meet parents with similar aged children and also for pre-school children to become familiar with our school and meet children they may go to school with in the future. Everyone is welcome.

Stay & Play Writing Workshop Class 1

Thursday 25th January from 9AM is a writing workshop for class 1. Parents can learn how their child becomes a writer. Parents will learn about the mechanics of writing, the link between writing and drawing, how to develop the children's muscles for pencil grip, and how children learn to spell.

STARS OF THE WEEK!

Reggie Kemp, Freya Barr, Ben Maddams, Rylan Donald, Ellie-May Hammond, Oliver Prior, Ellamay Horsburgh
