School re-opens 7th Jan 2021

We are very proud to announce this year's House captains and Sports captains are as follows:

House Captains/VC
Mae.C Lewis Sophie Daniel Milo Stanley Suzanna Sophia

Sports Captains/VC
Tia Rylan Freya Hannah Florence Maisie Mae.H Katie Oscar Sophia

Thank you very much to everyone that contributed food to our Harvest collection this year. We received a very generous amount of donations. The Rev Lydia collected them and delivered them to 'Filling the gap' The food will be made up into parcels for distribution around Norfolk.

Home School Agreement

Many parents have read, signed and returned the school's Covid-19 Home School Agreement –thank you. If you have yet to do this, please return this as soon as you can. This year's Agreement includes home learning expectations and covid-19 guidance in school. It is important that it is returned to allow your child to participate safely in any home learning arrangements that are put in place.

ARRANGEMENTS FOR PARENTS AND FAMILIES—COVID-19

I want to say thank you to all our school parents and families for supporting the school so well over the first 6 weeks of this autumn term.

We are all living through a very difficult time and we have found our school families incredibly supportive of the measures we have put in place. We have used the Government compliance code to complete a comprehensive risk assessment and the arrangements we have put in place, including the staggered drop off and pick up times, wearing face masks, ensuring children from different class bubbles remain apart in the day, encouraging good hand hygiene and the other safety measures in place in the school, all help to keep our children, families and staff safe.

You may have noticed this week staff wearing masks when they are outside their class bubble and working in communal areas inside the main school building - this is to help reduce the risk of the school having to close more than one class bubble if we have a confirmed covid-19 case. Teachers are not wearing masks whilst teaching in their own class bubble or outside on the playground with their class.

The second lockdown may affect your children in different ways and at different times - if you have any concerns about their mental wellbeing please contact the school so we can support them. The children continue to enjoy being in school and amaze us in the way they easily adapt to the changed rules and new measures. With best wishes, Mr Jones
