

Week beginning 20.07.2020

Your final piece of work for the summer term 2020 is to plan a day trip for your family for during the summer holidays.

You will need to do some research which will require the help of an adult and sort everything out for the day.

These are the things you will need to think about:

- Where are you going to go?
Do you need tickets/passes/entry? How much?
- How are you going to get there/back?
How long does it take to get there?
If you are using public transport how much will it cost?
When do you need to leave and where from?
- What activities will you do while you are there?
Will these cost money, if yes, how much?
- Will you need any money for the day for treats/ice creams etc?
- What will you eat?
Will you take a packed lunch or will you need money for food?
What could you make for your packed lunch?
- What will you need to pack to take with you?
You will need to think about the weather on the day.
Coats/swimsuits/sun cream/bucket & spade/drinks etc

Once you have completed your family day out we would love it if you would send us the planning you did along with a photo from your day, we will add it to the Class 2 page on the website.

Enjoy!
