Head Teacher: Mr R Jones M.A.

Friday 5/2/21

Dear Parents,

We hope everyone remains safe and well at this difficult time. All staff appreciate the challenges and demands that are faced by families learning at home at the moment. Our message to families at home remains the same - we recognise you are doing your best - Your best is good enough!

Emergency Closure of Schools

A weather warning of snow has been issued by the Met Office for Sunday 7 and Monday 8 February with the potential to cause considerable disruption! **We will endeavour to remain open for the children currently attending school**, but should the weather or snow force the school to close, County Hall is notified who then inform the local radio stations. Information can be obtained from Radio Norfolk - 95.1 and 104.1 FM; Radio Broadland - 102.4 FM.

We will also post a message on the school website and parents can check the Norfolk County Council Closed Schools website:

www.schoolclosures.norfolk.gov.uk

Children's Mental Health Week

The school is very mindful of the worries and concerns parents have in the current pandemic with regard children not being in school. This week was Children's Mental Health week and was designed for all our school to enjoy and take part in some activities that focus on emotional wellbeing. With this in mind, should the school have to close next week because of snow, although staff will post work on the web for children to complete, we encourage the children to enjoy the snow - the teachers won't be concerned if the day is spent enjoying a break from the routine.

Half term 15th to 19th February

The school will be closed to all pupils during the coming half-term. We will return on 22nd February under the same partial opening system that we are operating at present.

Kind regards,
Mr Jones

Chair of Governors: Mr Steve Kittle
