Dear Home Sweet Scents Candle Company,

The reason why I am writing this letter to your company is that I absolutely love your candles. Home Sweet Scents is the most stellar candle company on the market. Your candles have transformed our home into an even more beautiful place. Your candles have added such a great ambiance to our home over the years and have made it a happier place to be.

My favourite candle of yours is your Pumpkin Spice candle which is perfect during the autumn.. It has a crisp and festive scent. I now always buy one of your candles as a gift for my mum, as she too loves them.

Candles I have bought as gifts previously for her have a weak scent while being burned and leave a soot-like substance on the curtains. Your candle line does not and I feel that you have done an amazing job - mum and me love making it a special occasion when we light one.

I am a strong believer that there is no place like home and Home Sweet Scents candles make my home an even cozier and comforting place to be. I am a huge fan of Home Sweet Scents and always take time to tell other members of my family and friends about your candles and let them smell how delicious their scent is. Some of my friends have even bought their mums one of your candles due to my recommendation. I have also left some positive reviews on Amazon.com and Wayfair.com.

Being such a big fan, I would be overjoyed if I could try some of your candles from your new Scent line. Would you be able to spare any samples, collectibles or promotional items for my favourite product and send them to me? I would be forever thankful and would be sure to leave some new reviews for them on-line as a token of my appreciation!

Keep on producing a great product and I look forward to any new products you may have in the pipeline.

Yours faithfully,

Jane Smith.
