

Wreningham CE VC Primary School Weekly Newsletter

Together Everyone Achieves More

Friday 22 May, 2020

Dear Parents,

We hope that you are all safe and well. We are so proud of our pupils for all the effort they are putting into home learning. Some lovely examples of home learning have been sent to the teachers and I have included a selection below. Do not worry about your child "falling behind." When the children do return to school, as a team, we will use our expertise and experience to give them the best educational support, and help ensure the children continue to thrive and be happy, successful learners. This newsletter also includes some further information for those parents whose children return to school on 1 June.

We wish everyone in the community a happy and safe bank holiday weekend. Again, we all send our very best wishes

Mr Jones

SCHOOL WIDER REOPENING

The teaching staff have been busy re-organising each room in preparation for welcoming some of the children back to school. We thought the children would like to see some pictures of the classrooms.

School Reopening- 1 June - Please keep watching the updates from the government with regard the covid-19.

Although we plan to reopen the school on 1 June, this date could be delayed at any stage by a change in the government's strategy.

- **Reminder that we have staggered the drop off times** - Y6 pupils (and siblings) 8.40AM, Y1 pupils 8.50AM (and siblings) and YR pupils 9.00AM. (*Please note, children of keyworkers can arrive at 8.30AM*). Parents arriving at the far gate can go to the orange net fencing to drop off/pick up. Staff will be waiting to meet the children. There is plenty of space for parents to keep 2 metres apart. Parents arriving at the near entrance must follow the marked path. Cones indicate 2 metre spaces. Staff will be waiting to meet the children. Parents then exit through the staff carpark.

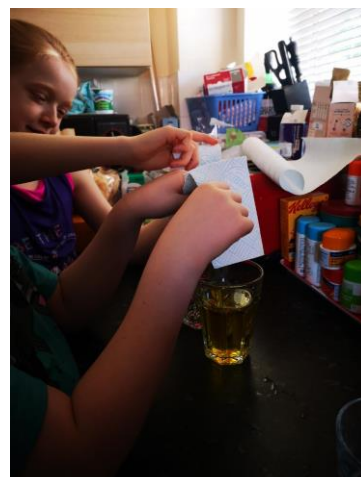

- We want only the absolute minimal amount of belongings going between home and school. Younger children can bring a named water bottle and fruit snack. Sun cream must be applied before school. Year 6 children and children of key workers will need a packed lunch/water bottle.
- At midday, parents of children in Year R pick up their children. Y1 parents collect their children at 12.15PM. Y6 parents will need to collect their children at 3.10PM.
- The gates will close at 3.20PM. Key worker parents arriving after this time will need to go to the main entrance, by the office window as previously (please note school is now ending consistent with our usual hours when possible e.g. 3.10PM).

HOME LEARNING

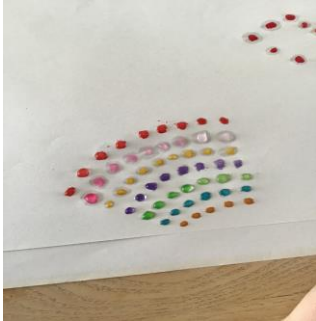

Evie doing class 4's weekly PE Norfolk School Games challenge - tri golf this week

Maisie doing a Capillary Action water experiment.

Polina Bright Water Droplet
art work by Harrison

Will worked very hard on this piece of art work - having lots of fun mixing the colours and thinking about which sea creatures and plants to include.

Delilah got chosen to be in the Norfolk Squad For gymnastics in February. Although she hasn't been able to train as part of the team yet due to lock down, she does still have to attend a 40 minute Zoom training session 3 times a week!
