

## Class 4:

### The Time Machine

This is a detailed design blueprint of the original time machine, designed and built by myself, an eminent member of the Wreningham Class 4 Scientific Projects Group. You will see the detailed labelling and many of the invented parts and engine system are completely new ingenious designs..

Design your own time machine, with labelled parts

Designed by:

\_\_\_\_\_,  
BSc(Hons), Phd  
and member of the  
British Scientific  
Innovation Board.

### Detailed Specific Parts / Engine:

**Time Machine: Prototype  
version:** \_\_\_\_\_
