

Class 3's Home Learning, week beginning 11th May 2020

Maths - Year 3

For maths this week, we will be following the White Rose Home Learning Scheme.
<https://whiterosemaths.com/homelearning/>

The screenshot shows the White Rose Home Learning website. At the top, there is a dark blue header with 'Home Learning' on the left and 'Home / Home Learning' on the right. Below the header, on the left, is a white box with an orange border titled 'Summer Term Plans'. It contains the text: 'White Rose Maths in partnership with the BBC Bitesize Daily team has developed a 12-week learning programme for the summer term. This scheme is designed to help children be ready for their next year of school.' Below this text is a dark blue button with white text that says 'Click here for more details'. To the right of this box is a large orange and yellow geometric graphic. Below the 'Summer Term Plans' box is a section titled 'Hello there, Parents and Carers!' with a horizontal line underneath. Below this line is a paragraph: 'As schools worldwide close for now in response to COVID-19, you might be wondering how best to help your child or children with their studies at home.' To the right of the main content area is a vertical teal sidebar menu. The menu has a dark blue header with 'Home Learning' in white. Below the header, the menu items are: 'Summer Term', 'Easter Fun', 'Home Learning - Early Years', 'Home Learning - Year 1', 'Home Learning - Year 2', 'Home Learning - Year 3', and 'Home Learning - Year 4'. A yellow arrow points from the handwritten text on the right towards the 'Home Learning - Year 3' menu item.

Hello there, Parents and Carers!

As schools worldwide close for now in response to COVID-19, you might be wondering how best to help your child or children with their studies at home.

- Home Learning
- Summer Term

Home Learning

- Easter Fun
- Summer Term
- Home Learning - Early Years
- Home Learning - Year 1
- Home Learning - Year 2
- Home Learning - Year 3

The lessons for the week are all listed under 'Week 1 (w/c 20 April)'. There are videos to watch to help you.

Please look at the other maths documents I have created, as this includes further instructions, the work itself (divided into challenges) and some extra reasoning and problem solving questions.

Class 3's Home Learning, week beginning 11th May 2020

Maths - Year 3

Answers to the questions.

The answers to the reasoning and problem solving questions are included in the documents I have created. Answers for all other questions can be found on the White Rose Maths site, next to the lesson video for each day.

Summer Term - Week 1 (w/c 20 April)

Lesson 1 - Equivalent fractions (2)

0 $\frac{1}{4}$ $\frac{2}{4}$ $\frac{3}{4}$ 1

$\frac{2}{8}$

$\frac{5}{20}$

$\frac{3}{4}$

17:52
