

Class 3's Home Learning, week beginning 15th June 2020

Maths - Year 3

For maths this week, we will be following the White Rose Home Learning Scheme.
<https://whiterosemaths.com/homelearning/>

The screenshot shows the White Rose Maths Home Learning website. At the top, there is a dark blue header with 'Home Learning' on the left and 'Home / Home Learning' on the right. Below the header, on the left, is a white box with an orange border titled 'Summer Term Plans'. It contains the text: 'White Rose Maths in partnership with the BBC Bitesize Daily team has developed a 12-week learning programme for the summer term. This scheme is designed to help children be ready for their next year of school.' Below this text is a dark blue button that says 'Click here for more details'. To the right of this box is a large orange and yellow geometric graphic. On the right side of the page is a vertical teal sidebar with a dark blue header 'Home Learning'. Below the header, the sidebar lists several options: 'Summer Term', 'Easter Fun', 'Home Learning - Early Years', 'Home Learning - Year 1', 'Home Learning - Year 2', 'Home Learning - Year 3', and 'Home Learning - Year 4'. A yellow arrow points from the handwritten text on the right towards the 'Home Learning - Year 3' option in the sidebar.

Hello there, Parents and Carers!

As schools worldwide close for now in response to COVID-19, you might be wondering how best to help your child or children with their studies at home.

- Home Learning
- Summer Term
- Easter Fun
- Home Learning - Early Years
- Home Learning - Year 1
- Home Learning - Year 2
- Home Learning - Year 3
- Home Learning - Year 4

Now, click
on the
'Home
Learning -
Year 3'.

Maths - Year 3

Topic	Video
Measure length	https://vimeo.com/425555378
Equivalent lengths (m and cm)	https://vimeo.com/425555616
Equivalent lengths (mm and cm)	https://vimeo.com/425555747
Compare lengths	https://vimeo.com/425555865

Click on the link for the video for each lesson.

You will find the activities and answers for each day on our Class 3 webpage.

The activities are not divided into challenges. Just do as many questions as you can.

I have included some reasoning and problem solving questions for those of you who would like a bit more of a challenge.
