

Class 3's home learning, w/b 15.6.20, Literacy (writing)

Please choose one (or both!) of the following for your writing task this week:

Choice #1: What creatures live along the Norfolk Coast?

When Mrs Cameron has been out and about along the coast, she has seen a variety of creatures, including crabs, seals, barnacles and anemones. Here are the suggested steps for this task:

1. Research the wildlife along the Norfolk coast. This link to the 'Living Seas' section of the Norfolk Wildlife Trust website could help: <https://www.norfolkwildlifetrust.org.uk/wildlife-in-norfolk/a-living-landscape/living-seas>
2. Choose 3 (or more, if you like), species of creatures to write about. Do your best to write the information you read into your own words.
3. Draw a picture of each of the creatures you write about. Why not label the picture, identifying the different parts of the creatures, and include a caption?

Choice #2: Apply for a Blue Peter badge

Blue Peter are running a '6 Badges of Summer' challenge. Here is a link for more information about the challenge: <https://www.bbc.co.uk/cbbc/joinin/six-badges-of-summer?collection=6-badges-of-summer>

Throughout this challenge, Blue Peter will suggest things you can do which you'll be able to use towards earning the different badges. You will need to apply for each badge individually and here is a link to find out how: <https://www.bbc.co.uk/cbbc/curations/blue-peter-badges>
