Summer Term Plans

White Rose Maths in partnership with the BBC Bitesize Daily team has developed a 12-week learning programme for the summer term. This scheme is designed to help children be ready for their next year of school.

Home Learning - Year 4

Home Learning - Year 5

Hello there, Parents and Carers!

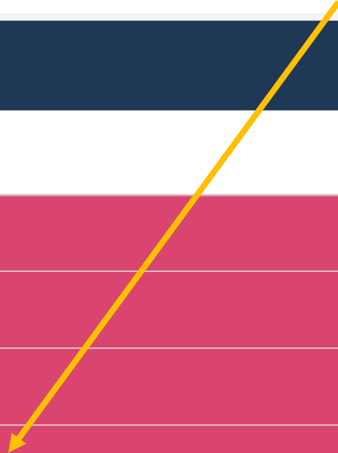

As schools worldwide close for now in response to COVID-19, you might be wondering how best to help your child or children with their studies at home.

Class 3's Home Learning, week beginning 1st June 2020

Maths - Year 4

Next, click on Summer Term - Week 3 (w/c 4th May).

Home Learning - Year 4

| | |
|---------------------------------------|---|
| Summer Term - Week 6 (w/c 1st June) | + |
| Summer Term - Week 5 (w/c 18th May) | + |
| Summer Term - Week 4 (w/c 11th May) | + |
| Summer Term - Week 3 (w/c 4th May) | + |
| Summer Term - Week 2 (w/c 27th April) | + |
| Summer Term - Week 1 (w/c 20 April) | + |
| Week 2 | + |
| Week 1 | + |

The lessons for the week are all listed under 'Week 3 (w/c 4th May)'. There are videos to watch to help you.

Please look at the other maths documents I have created, as this includes further instructions and the work itself (most lessons are divided into challenges).

Class 3's Home Learning, week beginning 1st June 2020

Maths - Year 4

Answers to the questions.

The answers for White Rose activities can be found on the White Rose Maths site, next to the lesson video for each day.

Summer Term - Week 3 (w/c 4th May)

Lesson 1 - Multiply 2-digit number by 1 digit number

$3 \times 27 =$

The image contains several mathematical representations for the problem 3×27 :

- A tree diagram showing 27 branching into 20 and 7.
- A place value chart with columns for Tens and Ones. The Tens column has two circles, and the Ones column has seven circles.
- A multiplication grid with columns labeled T and O, and rows for (7×3) and (20×3) . The grid contains the numbers 2, 7, 3, 2, and 1.
- A video player interface at the bottom with a play button and a timestamp of 11:06.
