

Class 3's home learning, w/b 22.6.20 - Art

Can I improve my drawing technique?

During lockdown, Mrs Cameron discovered 'Draw with Rob Biddulph'. She, along with her girls, have joined in on a few of the sessions. Having a look at his website, he's drawn a few animals linked to our topic of 'Under the Sea' (or, at least, animals you might find in or near the water!).

These links will take you to the lessons on YouTube:

Penguin Blue: <https://youtu.be/qPKDfxNo9XQ>

Alligator: <https://youtu.be/RI--stSIAjg>

World Record Whale: <https://youtu.be/OSUN5vR4QZY>

Wilbur: <https://youtu.be/278alxmnGCM>

Have a go at drawing the above. Otherwise, you could look up some other animals linked to our theme of 'under the sea' and try drawing them.

Remember to press lightly on the paper with your pencil. This way, if you make a mistake, it will be easier to rub out, or to draw over.

Rob Biddulph and his drawing of a whale.
