Summer Term Plans

White Rose Maths in partnership with the BBC Bitesize Daily team has developed a 12-week learning programme for the summer term. This scheme is designed to help children be ready for their next year of school.

Home Learning - Year 5

Hello there, Parents and Carers!

As schools worldwide close for now in response to COVID-19, you might be wondering how best to help your child or children with their studies at home.

The videos for the week are all under this heading:

Summer Term - Week 6 (w/c 1st June)

For all of the lessons, you will find the activities and answers for each day on our Class 3 webpage. The activities are not divided into challenges. Just do as many questions as you can.

I have included reasoning and problem solving questions for those of you who would like a bit more of a challenge.
