

Class 3's home learning  
Week beginning 27th April 2020

Please remember to read with an adult a minimum of 3 times each week.

This can be anything - books, magazines, recipes, newspapers, etc.

Have you read any interesting words or phrases? Have you read any words that have made you think "wow, that's an awesome word!"? If yes, why not start making a list in your literacy book? You could call it 'My Wonderful Words and Phrases'.

Can I discuss and record my ideas? Can I plan and draft my writing?

## My Earth Day Promise

April 22nd was Earth Day. The theme for this year is Climate Action. Your challenge for this week is to think about what difference YOU could make, big or small. What will you promise to do to help our Planet Earth?

Things to include:

- What you would like to do/promise.
- Why you have chosen what you have chosen.
- How will you carry out your promise?
- What impact/difference will your pledge make to our Planet Earth?

You may need to do some research to help you.

Can you promise something that has a link to our summer topic of 'Under the Sea'?

Please complete this work in your blue literacy book.

How you present your work is up to you! You could just write each of the above into separate paragraphs, or you could do this in the style of a poster with coloured headlines and pictures with captions.

Be creative! Here is Monster's work so far:
