Summer Term Plans

White Rose Maths in partnership with the BBC Bitesize Daily team has developed a 12-week learning programme for the summer term. This scheme is designed to help children be ready for their next year of school.

Home Learning - Year 5

Hello there, Parents and Carers!

As schools worldwide close for now in response to COVID-19, you might be wondering how best to help your child or children with their studies at home.

Class 3's Home Learning, week beginning 27th April 2020

Maths - Year 3

Next, click on Week 1.

Summer Term - Week 1 (w/c 20 April)	+
Summer Term - Week 2 (w/c 27th April)	+

- Home Learning
- Summer Term
- Easter Fun
- Home Learning - Early Years
- Home Learning - Year 1
- Home Learning - Year 2
- Home Learning - Year 3
- Home Learning - Year 4

The lessons for the week are all listed under 'Week 1'. There are videos to watch to help you.

Please look at the other maths documents I have created, as this includes further instructions, the work itself (divided into challenges) and some extra reasoning and problem solving questions.

Class 3's Home Learning, week beginning 27th April 2020

Maths - Year 3

Answers to the questions.

The answers to the reasoning and problem solving questions are included in the documents I have created. Answers for all other questions can be found on the White Rose Maths site, next to the lesson video for each day.

Week 1

Lesson 1 - Unit and non-unit fractions

Unit and non-unit fractions

$\frac{1}{4}$ of the shapes are triangles.

04:59 | the shapes are circles.

The video player shows a blue triangle and three red circles. A fraction $\frac{1}{4}$ is shown with a bracket under the triangle, and the text "of the shapes are triangles." Below the video, the text "the shapes are circles." is visible.
