

# Class 3's Home Learning, week beginning 4th May 2020

## Maths - Year 4

For maths this week, we will be following the White Rose Home Learning Scheme.  
<https://whiterosemaths.com/homelearning/>

The screenshot shows the White Rose Home Learning website. At the top, there is a dark blue header with 'Home Learning' on the left and 'Home / Home Learning' on the right. Below the header, on the left, is a white box with an orange border titled 'Summer Term Plans'. It contains the text: 'White Rose Maths in partnership with the BBC Bitesize Daily team has developed a 12-week learning programme for the summer term. This scheme is designed to help children be ready for their next year of school.' Below this text is a dark blue button with white text that says 'Click here for more details'. To the right of this box is a large orange and yellow geometric graphic. Below the 'Summer Term Plans' box is a section titled 'Hello there, Parents and Carers!' with a horizontal line underneath. Below this line is the text: 'As schools worldwide close for now in response to COVID-19, you might be wondering how best to help your child or children with their studies at home.' To the right of the main content area is a vertical teal sidebar with a dark blue header that says 'Home Learning'. Below the header, the sidebar contains a list of links: 'Summer Term', 'Easter Fun', 'Home Learning - Early Years', 'Home Learning - Year 1', 'Home Learning - Year 2', 'Home Learning - Year 3', and 'Home Learning - Year 4'. A yellow arrow points from the handwritten text on the right towards the 'Home Learning - Year 4' link in the sidebar.

### Hello there, Parents and Carers!

As schools worldwide close for now in response to COVID-19, you might be wondering how best to help your child or children with their studies at home.

- Home Learning
- Summer Term
- Easter Fun
- Home Learning - Early Years
- Home Learning - Year 1
- Home Learning - Year 2
- Home Learning - Year 3
- Home Learning - Year 4
- Home Learning - Year 5

Now, click  
on the  
'Home  
Learning -  
Year 4'.

Class 3's Home Learning, week beginning 4th May 2020

## Maths - Year 4

Next, click on Week 2.

### Home Learning - Year 4

Home / Home Learning / Home Learning - Year 4

Week 1	+
Week 2	+
Summer Term - Week 1 (w/c 20 April)	+
Summer Term - Week 2 (w/c 27th April)	+

#### Home Learning

- Summer Term
- Easter Fun
- Home Learning - Early Years
- Home Learning - Year 1
- Home Learning - Year 2
- Home Learning - Year 3
- Home Learning - Year 4

The lessons for the week are all listed under 'Week 2'. There are videos to watch to help you.

Please look at the other maths documents I have created, as this includes further instructions, the work itself (most lessons are divided into challenges) and some extra reasoning and problem solving questions.

## Class 3's Home Learning, week beginning 4th May 2020

### Maths - Year 4

#### Answers to the questions.

The answers to the reasoning and problem solving questions are included in the documents I have created. Answers for all other questions can be found on the White Rose Maths site, next to the lesson video for each day.

#### Get the Answers

Y4 Spring Block 4 ANS6 Dividing 2 digits by 10 2019

Home Learning - Year 4

Home Learning - Year 5

Home Learning - Year 6

Home Learning - Year 7

Home Learning - Year 8

Home Learning - Year 9

Home Learning - Year 10

Answers to  
the questions.

#### Lesson 2 - Hundredths

**Flashback 4** Year 4 | Week 2 | Day 2

1) Complete the sentences.

Ones	Tenths
2	3

There are 2 ones and 3 tenths.  
The decimal represented is 23

2) Write the missing denominator.

$$\frac{80}{100} = \frac{8}{10}$$

3) What is  $\frac{4}{9}$  of 63? 28

4) Find the difference between 325 and 1,200. 875
