

Class 3's Home Learning, week beginning 6th July 2020

Maths - Year 3

For maths this week, we will be following the White Rose Home Learning Scheme.

Summer Term Plans

White Rose Maths in partnership with the BBC Bitesize Daily team has developed a 12-week learning programme for the summer term. This scheme is designed to help children be ready for their next year of school.

Home Learning - Year 5

Hello there, Parents and Carers!

As schools worldwide close for now in response to COVID-19, you might be wondering how best to help your child or children with their studies at home.

Summer Term - Week 10 (w/c 29th June)

Lesson 1 - Draw accurately

The screenshot shows a video player interface. At the top, there is a blue play button and a 'White Rose Maths' logo. Below the play button, the text '1) ---- cm Have a go' is displayed. A yellow ruler is shown at an angle, with a green line drawn above it. Below the ruler, the text '2) ---- cm' is displayed. Another yellow ruler is shown horizontally, with a green line drawn above it. At the bottom of the video player, there is a play button, a progress bar showing '08:49' and '06:41', and a settings icon.

You will find the videos for each day on this webpage. Activities and answers for each day are on our Class 3 webpage.

The activities are not divided into challenges. Just do as many questions as you can. I have included some reasoning and problem solving questions for those of you who would like a bit more of a challenge.
