Summer Term Plans

White Rose Maths in partnership with the BBC Bitesize Daily team has developed a 12-week learning programme for the summer term. This scheme is designed to help children be ready for their next year of school.

Home Learning - Year 4

Home Learning - Year 5

Hello there, Parents and Carers!

As schools worldwide close for now in response to COVID-19, you might be wondering how best to help your child or children with their studies at home.

You will find the videos for each day on this webpage. Activities and answers for each day are on our Class 3 webpage.

The activities are not divided into challenges. Just do as many questions as you can. I have included some reasoning and problem solving questions for those of you who would like a bit more of a challenge.
