

Class 3's home learning, w/b 8.6.20 - History

Can I explain what everyday life was like for the people who lived in a typical Anglo-Saxon village?

This page does not need to be printed. Please write the short date you do the work and the above title, underlining them neatly with a ruler.

Anglo-Saxon Jobs

Activity

Find out more about one of the Anglo-Saxon jobs you have learnt about and then create a poster to advertise for an Anglo-Saxon worker for your job.

You should draw a picture of an Anglo-Saxon worker doing the job in the middle and provide details about the job and the qualities needed to do it in the boxes around the outside.

Choose one of these jobs to write about:

**Smith, Tanner, Weaver, Jeweller,
Woodworker, Potter**

Can I describe a typical Anglo-Saxon Village?

For this activity, why not go outside? Design an Anglo-Saxon village using grass, sticks, stones and other natural materials. You could write labels with chalk, or write labels using pencil and paper. Then, ask an adult to take a picture of your village. If you're able to print it at home, you could stick it in your book!

My Anglo-Saxon Village

Activity #2

Using all the information you have learnt about what an Anglo-Saxon village was like can you now design and draw your own village?

- You should try to include as many features as you can to make sure your village is busy and thriving!
- You will also need to write labels to annotate all the features of your village and show you understand what it was like to live there.
